**ETHICAL PRACTICES BOARD ISSUES 1986 CAMPAIGN FINANCE SUMMARY
FOR CANDIDATES WHO DID NOT FILE FOR ELECTION IN 1986**

Individuals, political committees and funds, and political parties contributed \$566,522 to 190 state candidates who did not file for office in 1986, according to a summary of campaign reports compiled by the Ethical Practices Board.

Offices sought by the candidates whose committees filed reports include governor, attorney general, state auditor, secretary of state, state treasurer, state senator, state representative, supreme court, appeals court, district court and county court.

Minnesota law requires each registered candidate committee to file an annual Report of Receipts and Expenditures with the Board until the committee terminates. Committees of 95 candidates who did not file for office in 1986 terminated registration when they reported in 1987. Among the remaining committees are candidates who registered committees in 1974 through 1986.

Total campaign expenditures of \$575,933 were reported by the 190 committees, which disclosed total beginning cash balances on January 1, 1986, of \$205,968, and cash on hand December 31, 1986, totaling \$93,813. The committees reported total transfers of \$79,996 to other state candidates, political committees or political funds in 1986.

The Board's summary includes for each candidate total contributions received; total transfers to other state candidates and committees or funds; total campaign expenditures; beginning and ending cash balances; and a listing of the names of individuals and committees or funds contributing, in aggregate during 1986 more than \$100 to legislative, district or county court candidates and more than \$200 to candidates for statewide office.

All candidates registered with the Board, including 487 candidates who filed for election to state executive, legislative, and judicial offices in 1986, received contributions in 1986 totaling \$10,256,748. Campaign expenditures in 1986 by all 677 registered candidate committees totaled \$12,352,260.

ABOUT CANDIDATE CAMPAIGN FINANCE DISCLOSURE

A candidate for state executive, legislative, or judicial office who accepts more than \$100 from sources other than the candidate's own personal funds is required to register a principal campaign committee with the Ethical Practices Board. However, a candidate who does not designate and form a principal campaign committee and who spends more than \$100 of the candidate's own money, not including filing fee, to influence that candidate's nomination or election is required to file a Report of Receipts and Expenditures with the Board.

Information about the reporting requirements of Minn. Stat. Ch. 10A, the Ethics in Government Act, is available from the Board office, 625 North Robert Street, St. Paul, MN 55101-2520; telephone: (612) 296-5148.
